

Subject: Letter of Recommendation for Internship Application

Dear Sir/Madam,

As the manager of FEM Service at NTN Europe, I had the opportunity to supervise the work of **M. Duguey Mathis** during his 5 months long caesura internship. I am pleased to express my complete satisfaction with his skills and commitment.

M. Duguey Mathis demonstrated great precision in his work. His ability to analyze complex data and propose innovative solutions was appreciated. He also exhibited an excellent understanding of the challenges related to technical science of our products domains.

During his internship, **M. Duguey Mathis** actively participated in research projects involving fatigue method for automotive products, and mechanicals systems.

His engineering skills and proficiency with computing tools were major assets for our team. He notably contributed to the improvement of a finite element model for automotives products.

In addition to his technical abilities, **M. Duguey Mathis** seamlessly integrated into our team. His sense of responsibility, intellectual curiosity, and collaborative spirit were highly appreciated.

I highly recommend **M. Duguey Mathis** for any professional opportunity in the field of technical sciences. His passion for innovation and dedication, make him an ideal candidate for ambitious projects.

Feel free to contact me for any further information.

Sincerely,

Sébastien GUILLAUME
